### Bi-Weeklies – Standard Discussion Topics

1. What are your Division's top priorities for the next 2-4 weeks and what are their current status/milestones?
2. Are there any projects/sites/issues that have new risks or challenges?
3. Is there anywhere we are falling behind regionally or nationally (*e.g. timelines, milestones, programmatic targets, or national competitions*)?
4. What issues/andons are you seeing from your Division's ELMS visual management tools and what is your strategy for addressing them?
